

## 2010 HOPE KIT PROJECT

Help us bring *hope* to Atlanta!

“We Hope ALL Things.”  
-Articles of Faith 1:13

As a part of our **INFINITE HOPE** event in ATLANTA on Oct. 22-23, we will be collecting items for and assembling **HOPE KITS** to donate to a local **WOMEN'S SHELTER**.

Please bring donated items on Friday night. Assembling the kits will take place during the lunch break on Saturday. This is open to all attendees (although, not a required part of the event). We hope you'll join us in this unique opportunity.

### DONATION NEEDS

#### SPECIAL GUEST MARIAMA KALLON

In her war-torn country of Sierra Leone, Mariama received the gift of the gospel and a hygiene kit that changed her life forever. She'll speak at our event and share the power our hope kits can bring to women in your city.
